This is to inform you that the Lottery Winning payment is in the amount of US\$12,000,000,000.00. was legally approved and deposited with the Bank, Deutsche Bank AG, The lottery won by your e-mail address via online active email address selected from sponsor of Coca Cola Company award. It was registered with your email address by the Lottery Board Executive Directors of Coca-Cola Company German Branch,

This is to notify you that Mr. Christian Sewing the President and Deutsche Bank AG visited my office with an envelope containing copies of documents and the documents are your lottery won payment file. They stated that you disclaim your Lottery win and the purpose of visiting my office is to seek support and have my signature on the documents for easy confiscation of your US\$12,000,000,00. to the government budget account since you don't want to receive it. but with the experience in the judiciary i refused to sign the documents.

However, due to humanitarian ground and sympathy. I immediately called up Mr. Olaf Scholz Prime Minister of Germany and explain your matter to him as regards to your payment and he personally called Mr. Deutsche Bank AG CEO of Deutsche Bank AG to reduce the payment from a higher rate to US\$25 in order to help you afford the fee.

To this end it will interest you to know that every and any fee/charges required has been reduced to only the sum of \$25,US dollars. This step is in order to enable you to afford this only fee and receive your ATM Visa Card. NOTE: Every documentation proof for your fund has been packaged and sealed to be mailed together with your Visa Card to your address.

You are required to buy only \$25,usd through iTunes Apple cards and Steam Wallet card. The ONLY charge you will ever pay before your package will be deliver to your address. You will never pay a dime again as agreed and signed down here in Court of Germany that you will never pay any other money apart from the \$25,usd. Please know that you have only 3 working days to affect the required payment and receive your ATM Visa Card. I don't want you to doubt me on this because after you send the money you will surely share the testimony to your family and to the church where you worship.

Therefore, the days of you being subjected to paying twice Double Payment is over as that is the case with some corrupt officials down there in Africa. The payment approval documents have been acquired for the smooth delivery of your ATM visa Card of US\$12,000,000,000.00. You were awarded the fund for investment to ease the economic crunch and to be profitable and help others in need as a measure to ease the present economic hardship.

This is your last chance to comply with the instruction or else i will close your fill which will make it impossible for you to receive your fund in future. You have only 72hrs to comply or lose this great opportunity.

LAST WARNING CANCELLATION AFTER 72HRS.

Thanks, and God bless.
